

Birk's Restaurant in the heart of Silicon Valley is central to California's many diverse wine regions. We offer a selection of wines to accompany well executed hardwood grilled steaks, chops and seafood. Birk's beverage program is committed to featuring many of the wines produced in our own "backyard", the Santa Cruz Mountains. We select and personally taste our wines to ensure thematic brand symmetry. We present a selection of boutique and "up and coming" wines, in addition to any prestigious and well-known producers. Birk's is nationally recognized by Wine Spectator for having one of the best wine lists in the world and has been an annual recipient of the Award of Excellence since 2004. Birk's beverage program utilizes fresh squeeze juices and seasonal ingredients for our handcrafted cocktails and seasonal lemonades. We collaborate with the culinary team creating new techniques and infusions. We support many local breweries with our selection of beers. The beverage offerings at Birk's are an integral component of the dining experience and it is our mission to provide an exceptional dining experience for every guest we are privileged to serve.
